

Piercing the Darkness (The Rise of Nazil Book 3)

Piercing the Darkness is the third book in The Rise of Nazil adult epic fantasy trilogy. The conflicts and treacheries of Seed of Scorn have led to an inevitable battle not only in the lands, but also for the lives of the Benoists.

With the wraith's essence embodying one of Faclondul and the coveted blood of Oisin, the gates of the abyss have been breached. The Guardians have prepared their paladins but that preparation has inflicted a wound upon the hearts of the Benoists.

Which side will be victorious when the combatants share the same blood? When the cousins' battle begins, neither one can win...without dying."
