A child died by a parent today  
Who seven times the courts took away  
Lost in a system designed to protect them  
Now the foster family's full of rage  
For obeying laws that the system made  
The laws that killed the child it could have saved

And they call it "Child Protection Laws"  
I call it legal devouring claws  
Sacrificing children in a losing war  
That's being raped by this greedy legal whore

A home that once was filled with love  
Abundance kisses and hugs  
Has been replaced by one that's full of hate  
Now the legal system's stepping in  
A situation where no one wins  
A spider's web with children caught therein

And they call it "Child Protection Laws"  
I call it legal devouring claws  
Sacrificing children in a losing war  
That's being raped by this greedy legal whore

All a child wants is a loving home  
With rules they understand and know  
Held in the arms by those who love them too  
Not a life controlled by laws  
From people who don't know who they are  
A legal system corrupted by me and you

And they call it "Child Protection Laws"  
I call it legal devouring claws  
Sacrificing children in a losing war  
That's being raped by this greedy legal whore
